### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS:

Claim 6:

- Line 3, changed "mark is" to --marks are--.

NOTE: The above amendment to claim 6 corrects a minor and obvious typographical error, which deems not necessary to obtain a prior approval of the applicant. A similar limitation and syntax can be found in claim 14.

2. The following is an examiner's statement of reasons for allowance: claims 1, 8-9, 16 are patentable over the prior art patents and printed publications because of the specific configuration of the apparatus for forming an image and adjusting positions of the plural light beams, the apparatus comprising means for forming a reference position marks on the photoconductive drum, means for forming moiré stripes alongside the reference position marks on the photoconductive drum by simultaneously drawing overlapping sets of slanted lines with the respective light beams, and means for

adjusting the positions of the light beams on the photoconductive drum in a main scan direction according to a comparison between a position of the moiré stripes and a position of the reference position marks. The combined limitations as currently claimed are not taught by the prior art of record alone or in combination.

Claims 2-7 and 10-15 are allowed because they are directly or indirectly dependent from claims 1, 9 above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hai C. Pham whose telephone number is (571) 272-2260. The examiner can normally be reached on M-F 8:30AM - 5:30PM.
